<u>In the Claims</u>

Please cancel claims 2, 3, 11, 12, 15, 17, 18, and 23.

Please amend the claims as follows:

1   1.   (Amended) A method of displaying information relating to a workflow

2   comprising the steps of:

3   executing the workflow;

4   gathering statistical information relating to the execution of the workflow; [and]

5   [displaying the gathered information;]

6   <u>displaying a workflow diagram; and</u>

7   <u>overlaying the gathered information over the workflow diagram, wherein the overlayed</u>

8   <u>information indicates workflow statistics for various steps displayed in the</u>

9   <u>workflow diagram</u> .

1   4.   (Amended) The method of claim <u>1</u> [3], wherein the overlayed information

2   indicates the number of times a certain step was executed.

1   5.   (Amended) The method of claim 1, further comprising the step[s] of:

2   [displaying a workflow diagram; and]

3   selectively overlaying the gathered information over the workflow diagram.

                  Attorney Docket No.: 02365.P0015

1 9. (Amended) A workflow system comprising:

2 a workflow server engine for executing workflows;

3 a display device for displaying workflow diagrams; and

4 an overlay data provider for providing <u>statistical</u> information relating to an executing

5   workflow to <u>be overlayed over a workflow diagram displayed on the display</u>

6   <u>device</u> [the display].

1 13. (Amended) A method of collecting information relating to a workflow comprising

2 the steps of:

3 executing the workflow; [and]

4 collecting <u>statistical</u> information relating to the execution of the workflow<u>;</u>

5 <u>displaying a workflow diagram of the workflow being executed; and</u>

6 <u>overlaying the statistical information on the workflow diagram</u>.

1 16. (Amended) The method of claim <u>13,</u> [14] wherein the collected <u>statistical</u>

2 information includes the number of times a step in the workflow is executed.

1 19. (Amended) The method of claim <u>13,</u> [14] wherein the collected <u>statistical</u>

2 information includes the execution time of one or more steps.

1 20. (Amended) The method of claim <u>13,</u> [14] wherein the collected <u>statistical</u>

2 information includes the number of exceptions encountered during execution of the

3 workflow.

1   21.   (Amended) The method of claim <u>13</u> [14] wherein the collected <u>statistical</u>

2   information is displayed as a raw number.

1   22.   (Amended) The method of claim <u>13,</u> [14] wherein the collected <u>statistical</u>

2   information is displayed as a percentage.

Please insert the following new claims:

1   24.   (New) A method of collecting information relating to a workflow comprising the

2   steps of:

3   executing the workflow;

4   collecting information relating to the execution of the workflow, wherein the collected

5   information includes the number of times a step in the workflow is executed; and

6   displaying the collected information.

1   25.   (New) A method of collecting information relating to a workflow comprising the

2   steps of:

3   executing the workflow;

4   collecting information relating to the execution of the workflow, wherein the collected

5   information includes the execution time of one or more steps; and

6   displaying the collected information.

Attorney Docket No.: 02365.P0015

1   26.   (New) A method of collecting information relating to a workflow comprising the

2   steps of:

3   executing the workflow;

4   collecting information relating to the execution of the workflow, wherein the collected

5   information includes the number of exceptions encountered during execution of

6   the workflow; and

7   displaying the collected information.
